

Retailers' Survey

Section C - Your Ideas

Regarding the Four Options for St Peter's Street, what additional change/s, if any, would you like to see to each of them?
(e.g. restricted to certain hours or days, access for public transport, extra crossings, more parking etc.)

Option 1 – Minimal intervention
Option 2 – Revised street layout
Option 3 – Full pedestrianisation
Option 4 – Shared space

What other ideas regarding traffic congestion, parking or pedestrianisation would you like to see implemented by the Council to improve footfall in the City Centre?

All responses to this survey will be treated as strictly confidential and the results will not identify individual retailers or businesses. The results of this survey will form part of the submissions to the Council by the St Albans Chamber of Commerce. The results will be published on our website which can be found at www.stalbans-chamber.co.uk.
Many thanks for your help and co-operation. Graham Lane, Vice-President

There are plans to change St Peter's Street ...

As part of its City Vision consultation project, the Council is looking at **Four Options** for a new-look St Peter's Street.

As a representative of the local business community, we believe it's vital that every retailer or business owner on St Peter's

Street, Market Place and Chequer Street has the opportunity to present their views.

This is your chance to be heard.
