PRESIDENT'S COMMUNITY BUSINESS AWARD 2009

Sponsored by St Albans Chamber of Commerce

The winner last year John Gibson, Chairman St Albans City FC said:

“As the first ever recipient of this award, I can say that I was delighted to be considered let alone become the winner, in what was after all, such a prestigious list of nominees. The awards evening itself was an excellent occasion and if I had one regret at all, it was not wearing a tie which signifies my lack of confidence before hand, in actually winning!

The St Albans District Chamber in my view is a very worthwhile organisation, which has striven to improve it's image over recent years and has succeeded. Winning the Presidents award in the presence of the very best of St Albans Business community was an achievement which I will always treasure.

Life is full of challenges and we all need to be both positive and realistic during difficult times, winning the award simply illustrates that you can be up one year and down the next. Whatever happens in the future though, I will always be proud of this particular achievement”
