Speed Networking Breakfast

The fastest and most cost-effective way to positively promote your business, and it's fun!

Business Speed Networking hosted by June Cory of My Mustard. Speed-Networking works like speed dating - only you make lots of new business contacts, not romantic ones!

You will infact make more business contacts in just one session of Speed-Networking with us than in weeks of what we call ordinary "slow" business networking. It's remarkably cost-effective and gets you great results for your business.

Many people tend to gravitate towards those they may already know at networking events, never getting the opportunity to meet others who could be great business contacts.

Market your business effectively and enjoy a delicious breakfast at this superb venue.

Please book early as places are limited. Non members welcome as guests.
